POST HISTORY

The **VFW** is a service organization that was first established in 1899 by

Veterans of Foreign Wars.

This VFW was established in 1968. Through our business, we have been assisting Veterans and their families, and Citizens of the Monticello area for over 50 years.

The name "Dorchester" was taken from the U.S. Army Transport (USAT) that served to transport troops during WWII.

On February 3, 1943, she was torpedoed by a German u-boat submarine; 675 soldiers were lost in the icy Atlantic. This event is often remembered by the story of the four chaplains, that you can read about on display in the hall.

Consuming raw or undercooked meats, poultry, seafood, shellfish or eggs may increase your risk of foodborne illness, especially if you have certain medical conditions.
